

FAMILY DEVOTION

I KNOW IT SOUNDS CRAZY BUT IT'S TRUE!
"Used By God"

"I Know God Can Use Me To Do Big Things For Him!"

"For I can do everything through Christ, who gives me strength."
- Philippians 4:13

SAY:

Ehud was a guy from one of the smallest tribes in Israel, and he had what some would call a handicap - at least for a soldier. He was a very unlikely guy to be used by God. He could have come up with lots of excuses why he would NEVER do something BIG for God. But Ehud DID do something big for God. In fact, the thing that seemed to hold him back in life was the very thing that ended up helping him accomplish the task.

READ:

Judges 3:12-30

ASK/DISCUSS:

- What is the name of the unlikely hero in this Bible Story?
- Was the new king who ruled over Israel a nice king?
- What was the "handicap" that Ehud had?
- What was Ehud supposed to deliver to the king?
- What didn't the king's soldiers notice that Ehud was carrying?
- How did Ehud escape after killing the king?

SAY:

No matter the circumstances of your life or what people say or think about you, if you trust God, He will help you accomplish great things for Him.

DISCUSS:

- Should you believe the mean things other people say about you?
- Who is the person who knows EVERYTHING about us?

PRAY:

Pray that God will help your children remember that He created them in His image and He can use them to do big things for Him.
